## **An Error Message Appears When Attempting To Insert An MPEG File In Microsoft Powerpoint. PCG 705 707 717 719 729**

---

This issue is resolved by the MPEG update which is available on the Sony Support web site. Please follow the steps below to download and install this update.

1. Go to the Sony Support web site at:

*<http://www.ita.sel.sony.com/support/pc/>*

2. Click Software Updates.
3. Read and accept the License agreement.
4. Click the appropriate model link (PCV PCG-705, PCG-707, PCG-717, PCG-719, or PCG-729)
5. Scroll to the section titled "An Error Message Is Displayed When Attempting To Insert An MPEG File Through MS PowerPoint."
6. The download consists of two files, an executable (EXE) file and a text (TXT) file. The text file contains the steps to download and install the executable file.

MPEG300.EXE (145KB)

MPEG300.TXT (1KB)

7. Simply follow the steps during the installation to complete the update.
