

PCV-L600 VAIO Slimtop LCD Computer

The Shape of Things to Come

The PCV-L600 VAIO Slimtop LCD Computer delivers a unique non-conventional design combined with a high quality digital LCD display, slim-design CPU case and unique communication based features that define a new generation of Internet ready computers. Equipped with an Ergo-Angle Multimedia LCD Display, VAIO Smart Convertible keyboard, AutoAlert E-Mail Notification System and Memory Stick capabilities, the VAIO Slimtop LCD Computer really delivers the ultimate in style and convenience.

Features and Benefits

Unique Features

- **14.1" Ergo-Angle Multimedia LCD Display** - Exclusive dual hinge pedestal features two pivot points for easy adjustment to the ideal viewing angle.
- **Memory Stick Media Slot** - The Memory Stick is smaller than a stick of chewing gum. It allows you to easily transfer information from one electronic device to another. You can transfer images, data and text between cameras, computers and more.
- **AutoAlert Email Notification System** - Automatically download email with Microsoft® Outlook 98 on a preset schedule and a light on LCD display turns on when new mail is received*.
- **VAIO Smart Convertible Keyboard** - Innovative palm rest converts to a keyboard cover and six programmable power keys let you launch any application with a touch of a button, even if the power is off.

* Requires third party services
