HiFi VHS Video Cassette Recorder

Key Technology

Quickset Timer Dial

You can program your VCR with just a quick turn of the wrist. Press the Quickset Timer Dial to activate the system. Turn the knob to set the date, start time, stop time, and channel.

Cable Box/DirectTV® Receiver Control

VCR coordinates operation with your cable box or DirecTV receiver. Makes it possible to program a sequence of shows from cable or satellite, and allows you to choose cable or DirecTV channels using the VCR's remote control.
