## SPP-900

### FEATURES

- **ANALOG 900MHZ FOR EXTENDED RANGE** thanks to superior transmission technology, you can carry your cordless phone further—and still carry on a conversation
- **900MHZ SOUND QUALITY** sounds less like older cordless phones, more like a corded phone; 900MHz band is less crowded, with less potential interference than conventional 43-49MHz transmission
- **AUTOMATIC CHANNEL SELECTION** finds the channel with the clearest transmission every time you turn on the phone
- **10 NUMBER SPEED DIAL** provides simple two-step dialing of the business and personal numbers you call frequently
- **1-WAY PAGING** sends a beep to the handset so you can summon a co-worker or family member or locate a missing handset
- **QUICK CHARGE** is capable of recharging the battery up to 2 times faster than conventional charging
- **WALL MOUNTING** of base unit with supplied bracket, compatible with standard wall outlets
