- HINGED BATTERY LID

PRESSMAN

M-679V

FEATURES

- **MICROCASSETTE SYSTEM** uses ultra-compact easy-to-obtain microcassettes for recording and playback convenience
- **POWER ADAPTOR SUPPLIED** allows use of this Pressman® recorder with household AC current to eliminate battery powered operation
- **TWO "AA" RECHARGEABLE BATTERIES AND BATTERY CHARGER SUPPLIED** to provide convenient, extended operation virtually anywhere
- **3 LED BATTERY LEVEL WARNING SYSTEM** confirms battery level and alerts the user of low battery power with a flashing amber LED
- **3-DIGIT TAPE COUNTER** gives you a visible display of tape elapsed for rapid access when editing and listening
- **VOICE OPERATED RECORDING (VOR)** activates the recorder only when audible sound is present, conserving tape and eliminating soundless pauses during playback
- **MICROPHONE JACK** allows you to connect an external microphone
- **FAST PLAYBACK - 20% FASTER THAN NORMAL** - reduces by one-fifth the time needed to review recordings
- **ONE-TOUCH RECORDING** for simplified, quick, play/record operation
- **19 HOUR BATTERY LIFE** is made possible by advanced technology that extends battery life beyond previous limits
- **CUE AND REVIEW WITH SLIDE CONTROL** allows one hand operation to produce sound during Fast Forward or Rewind to help find specific passages
- **SONYMATIC® AUTOMATIC RECORDING LEVEL CONTROL** ensures correct recording levels for the particular situation
- **AUTOMATIC SHUT-OFF** at end of tape helps reduce mechanical wear and conserves battery power
- **BUILT-IN MICROPHONE** lets you make recordings conveniently in a variety of situations
- **2-SPEED RECORD/PLAYBACK** gives you the option of recording on a standard microcassette for twice its normal time, for an extended dictation or recording session
- **BUILT-IN SPEAKER** provides excellent sound quality, to monitor tape playback

- **DC-IN JACK** permits two-way power operation, using available replaceable batteries or optional AC power adaptor
- **EARPHONE JACK** allows use of optional earphone for individual listening to playback and for privacy without disturbing others
- **HAND STRAP ATTACHED** provides a secure, convenient band to hold onto or carry the unit
- **HINGED BATTERY LID** helps prevent accidental loss of lid
