Sony Telecom™

CALLERID
with call waiting

* **CREAM COLOR ALSO AVAILABLE**

IT-ID80

FEATURES

- **CALLER ID DISPLAY** shows the phone number and name for incoming calls (requires Caller ID service from your phone company)
- **CALLER ID DISPLAY WITH CALL WAITING** shows the phone number and name for a second call as you talk on the first, so you can screen the second call (requires combination of Caller ID and Call Waiting services)
- **35 CALLER ID MEMORY** remembers the last 40 incoming calls along with the caller's name, number, date and time of each call (name and number display requires Caller ID service from your phone company)
- **3-LINE LCD DISPLAY** for clear presentation of Caller ID information, date and time
- **MEMORY MATCH RINGING** sounds a distinctive ring if an incoming call matches one of your 10 speed dial numbers (requires Caller ID service from your phone company)
- **SPEAKERPHONE WITH ADJUSTABLE VOLUME** lets you talk without picking up handset for hands-free conversations; convenient for pushbutton services like phone mail and bank-by-phone
- **BUILT-IN CLOCK WITH DATE AND TIME DISPLAY**
- **5-NUMBER ONE-TOUCH DIALING** for instant access to your most important numbers
- **10-NUMBER SPEED DIALING** for two-step access to frequently dialed numbers
- **LAST NUMBER REDIAL**-at the touch of a button
- **WALL MOUNTING** of base unit with supplied bracket, compatible with standard wall outlets
- **BATTERY OPERATION**—no need to hook up to AC power, AA x 4 batteries supplied
