SS-CR600

The SS-CR600 is a deluxe home entertainment completer package. It features large, 5 inch diameter drive units for the Surround speakers. And the Center Speaker features a pair of the same 5 inch drivers, a 1 inch dome tweeter and power handling of 120 watts.

FEATURES

- **HOME ENTERTAINMENT COMPLETER PACKAGE** for Dolby Pro Logic surround sound; consists of a Center channel speaker and two Surround speakers; reinforces your existing Left and Right speakers for the full Dolby Pro Logic effect
- **CENTER SPEAKER WITH DUAL 5 INCH CONES** to handle bass and mid-frequency sound reproduction; Center speaker handles dialogue and other sounds intended to come directly from the screen
- **1 INCH DOME TWEETER** for Center channel for clear reproduction of dialogue overtones and extended high frequency response; 1 inch diameter assures broad dispersion of highs throughout your listening room
- **SURROUND SPEAKERS, EACH WITH A 5 INCH CONE** to handle the band-limited surround sound channel
- **MAGNETICALLY SHIELDED** Center speaker for placement directly above or below the television screen; minimizes magnetic fields that might interfere with the television picture
- **ACOUSTIC SUSPENSION ENCLOSURES** offer deep, accurate bass from small cabinets
- **GRAY FINISH** to match today's high-tech video monitors and television sets, including Sony's
