Important Information for Owners of DiIMAGE 7i Cameras

Minolta DiIMAGE 7i digital cameras purchased during or after July 2002

Serial Number Range: 95217273 through 95219999
 96201000 through 96226022

Note: this does NOT apply to DiIMAGE 7 cameras

There is a possibility that a portion of the Minolta DiIMAGE 7i cameras with a serial number that falls within one of the two ranges above has a defective Main Switch which could cause inconvenience for the user.

Please note that the DiIMAGE 7 camera is not affected – only the DiIMAGE 7i camera model.

If your Minolta DiIMAGE 7i is serial numbered as above, please return it to Minolta. The suspected parts will be replaced at no charge on an expedited basis.

Please pack the camera carefully, using the original packaging if possible. Do NOT return the batteries, memory card, strap, or any other material. Send camera only to Minolta Corporation, DiIMAGE Service Response Team, 101 Williams Drive, Ramsey, NJ 07446
We strongly recommend that you insure the package and ship via UPS, FEDEX or any carrier that can be tracked.

In addition to the FEDEX or UPS label, print this label in color and attach for PRIORITY service:
