Features

Unlock your music with AirPlay®

AirPlay® lets you wirelessly stream¹ your music from your iPhone®, iPad®, iPod touch®, iTunes® and hundreds of music apps like Spotify®, Pandora®, last.fm, MOG and more.²

Speaker set-up made simple with or without a computer

Whether you use the available iPhone® or Android™ set-up app,³ the Quick Start guide, or the included CD, connecting your speakers is fast and easy.

Online music made easy

Enjoy an incredible range of Sony Entertainment Network services including Pandora®, Slacker® and many more.¹

Battery powered portability

Regardless of where you take your music, as long as you stay within your Wi-Fi® network's range, you can enjoy up to 5 hours of uninterrupted streaming.⁵

Network Audio Remote App for iPhone® or Android™

Turn your iPhone®, iPad®, iPod touch®, Android™ phone or Sony Tablet™ S or P into a versatile and convenient remote control with the free Network Audio Remote App.³

Spread your music out

The Party Streaming™ feature syncs your music to other Sony network speakers throughout your house.⁵ It also allows you to play it from the Blu-ray Disc™ system and other compatible Sony audio and video products.⁵

Every room deserves music

Purchase additional Sony® network speakers for whole-home music enjoyment.

Auxiliary input

Auxiliary input enables you to plug in personal music players or other sources for enjoyment in one room.

Wi-Fi® with WPS

Connect to compatible WPS Wi-Fi® routers with a simple press of a button with no passwords or lengthy numbers to remember.¹

Looks as good as it sounds

Elegant cutting edge design for almost any room.
